

PROTECT YOUR FAMILY FROM MEASLES

Measles can be dangerous, especially for children.

SYMPTOMS:

FEVER

RUNNY NOSE, COUGH

RASH, RED EYES

If you have these symptoms, call your doctor or Columbus Public Health at (614)-645-1474. Stay home and avoid having visitors until you see a doctor.

YOU CAN PREVENT MEASLES:

Measles is very contagious and can make children so sick they have to go to a hospital -- or even die. Protect yourself and your children with the measles-mumps-rubella (MMR) vaccine.

WHERE TO GET THE VACCINE:

- Your family doctor
- Nationwide Children's Hospital Primary Care Centers (614-722-6200)
- Columbus Public Health (614-645-7945)
- Franklin County Public Health (614-525-3719)
- Heart of Ohio Family Health Centers (614-416-4325 or 614-235-5555)
- Lower Lights Christian Health Center (614-274-1455)
- Lutheran Social Services (614-224-6617)
- PrimaryOne Health Centers (614-645-5500)
- Southeast Healthcare Services (614-225-0990 or 614-224-4850)

*for a full list, visit www.columbus.gov/measles

*There is a measles outbreak in Minneapolis. If you are traveling or having visitors, make sure your child is vaccinated.
